‘More chocolate cake anyone?’

At The Library, we are passionate about healthy foods. Most menus are an interesting fusion of Scandinavian recipes and Middle-Eastern flavours.

Adding a touch of humour to the meeting breaks brightens the mood and gives our guests fresh energy. Experience our custom made Library candy shop – a throwback to your childhood. We only serve food that we would like to eat ourselves and like to surprise you with new recipes – although our chocolate cakes and blueberry salads seem to be requested again and again.

Orange Carpaccio à la The Library

- Peel flavourful oranges and cut them in slices,
- Let them marinate with orange flower water and a bit of good olive oil,
- Mix in fresh mint and a sprinkle of cinnamon before serving.

Hygge (“heu-gah”)

The art of building sanctuary and community, of inviting closeness and paying attention to what makes us feel open-hearted and alive. To create well-being, connection and warmth. A feeling of belonging to the moment and to each other. Celebrating the everyday.
